POWERSTICK™
by powerstick.com
PORTABLE CHARGER
CHARGEUR PORTATIF
CARGADOR PORTATIL

Power up your mobile device.

CHARGES YOUR TABLET, MOBILE PHONE AND PORTABLE DEVICES ON THE GO.

Features
- Rechargeable worldwide via USB
- Efficient, highly engineered and micro-controlled universal charging system
- Real-time, accurate read-out LCD displays for battery
- Lithium polymer power cell with three layers of built-in stability and safety protection

Optional
- 2.5GB, Hi-Speed USB 2.0/1.1 interface, quick and flexible data storage

Operating Instructions
- Remove cap from PowerStick, then plug it into a USB port to charge. The LCD turns on when charging begins. The PowerStick is fully charged when the display shows 8 bars.
- Disconnect the charger
- Use the appropriate USB cables to plug your device into the PowerStick to charge
- Press the Power Button to start charging your device
- USB memory stick is Plug & Play, compatible with any multimedia and data storage

NOTE: In case of problems with your unit, press the power button for 5 seconds to reset it. If the LCD is not displaying any bars, an overnight charge may be required to restore power to the LCD display.

†Charging capability and time is based on the power capability of the computer’s USB port/hub.

Safety
- Do not operate in wet conditions or submerge in water.
- Do not charge the PowerStick II above 40°C (104°F) or below -15°C (5°F).

Warranty
Powerstick.com warrants its PowerSeries products against defects for one year if the item has been purchased from an authorized dealer and proof of payment can be verified. The defective product must be mailed postage prepaid. Powerstick.com reserves the right to modify or discontinue any or all products or product models at any time, without notice to you. To obtain warranty service, you must return the defective product postage prepaid to the authorized dealer from whom you purchased the unit, or replace the unit, at our discretion. This warranty will not apply to units that have been purchased from non-authorized sources or abuse damaged through improper use.
